HandgunShooting ACADEMY

Minimum equipment required for this training:

- *Ear protection: earplugs and/or muffs (electronic ear muffs recommended).*
- *Eye protection: Prescription eyeglasses or shooting glasses (good shooting glasses will have "Z87" stamped on the inside of the temple), with shaded lenses for sunny days clear for overcast, or sunglasses.*
- *Handgun w/good fitting holster. Holster will be strong side only and must cover the trigger guard as well as retain the gun during movement. Holsters can be worn outside or IWB.*

- *Two magazine or speed loader holders.*
- *Good quality sturdy belt for the holster and magazine holders.*
